

PARTNERSHIP OPPORTUNITIES

The Fellowship is held every quarter in Central Kentucky. We invite ministry and business organizations to partner with us in reaching Christian leaders across Central Kentucky. Each Fellowship Gathering includes a dynamic speaker, quality ministry content and training, and meal with dedicated time for fellowship.

Learn more about The Fellowship at www.bluegrassfellowship.org

PURPOSE: Designed to pour into Christian leaders, strengthen local ministries and increase spiritual health, The Fellowship seeks to build a strong Christian community where we can share ideas, discuss church planting initiatives, and provide guidance for the challenges that impact every day ministry. BCF aims to serve as central resource for church planting, community building and personal development for Christian leaders in Central Kentucky.

AUDIENCE: Attendees are men and women, who are pastors, ministry leaders, elders, deacons, church planters, non-profit leaders, social servants, volunteers and Christians seeking to make a bigger impact in their community and churches. Attendance at each meeting ranges from 50-100. We serve approximately 30 churches, who are part of our fellowship network. These ministry leaders shepherd tens of thousands of church members and community partners, which maximizes the reach of your partnership.
